**Dr Josephine Boland**

*BA Hons (UCD), PG Dip Town and Country Planning, (QUB), MSc in Education and Training Management (DCU), Doctorate in Education (University of Edinburgh)*

Dr Josephine Boland is an educationalist and researcher. She specialises as consultant engaged in curriculum development, research and evaluation in support of strategic planning and change management in medical education and training. Dr Boland has supported a number of Irish postgraduate medical education and training bodies in the implementation of competency based medical education, the development of Entrustable Professional Activities (EPAs), design of workplace-based assessment, design and delivery of faculty development and development of digital training resources. In her role as medical educationalist to the Medical Intern Unit in the NDTP she supported the development of the new curriculum framework for the Internship programme. She is a member of the faculty team on the International Course on the Ins and Outs of EPAs led by Prof Olle ten Cate.

**Dr Fiona Crotty**

*MRCPsych. MMedSc (Clinical Education)*

A consultant psychiatrist in old age psychiatry based in Dublin north city and she is also currently Head of Continuous Assessment in the College of Psychiatrists of Ireland. She completed a Masters in clinical education in NUIG in 2014. She has been an educational supervisor for many years. She co-chairs the SACCAARP (Syllabus, Curriculum and Annual review of progress) committee, chairs the Trainee support panel and is an active member of PTC. Along with the Dean of Education she is currently progressing a curriculum review with development of Entrustable Professional Activities.

**Professor Anne Doherty**

*MB BCh MMedSc (Med Ed) MD FRCPsych*

Head of Subject, Psychiatry at University College Dublin, Consultant Liaison Psychiatrist at the Mater Misericordiae University Hospital. Anne is the Head of Courses and E-Learning at the College of Psychiatrists of Ireland. She previously held substantive posts at Galway University Hospitals and King's College Hospital, London, where she led the award-winning 3 Dimensions of Care for Diabetes service (3DFD). She is Editor in Chief of the Books Programme at the Royal College of Psychiatrists, London and Social Media Editor at the Irish Journal of Psychological Medicine.

**Professor Taz Goddard-Fuller**

*Vice Dean, Learning and Scholarship, University of Liverpool, UK*

A Professor in Medical Education and Vice Dean of Learning and Scholarship within the School of Medicine at the University of Liverpool, covering both undergraduate and postgraduate provision. Within this role they have responsibility and oversight of educational development across UG and PG programmes, ensuring delivery is aligned with best-evidenced pedagogical practice and balanced with the needs of regulatory requirements (GMC, QAA, OFS). Taz is the Equality, Diversity, Inclusivity and Wellbeing Lead for both the School of Medicine and also for the Institute of Life Course and Medical Sciences at Liverpool. Their research interests include professional identity formation, technology enhanced learning and assessment and exploring the definition of the concept of professionalism.

**Professor Aoibhinn Lynch**

*MD, MRCPsych, MSc (Medical Education)*

Professor Lynch is a Consultant in Old Age Psychiatry in Dublin South City/ South West and UCD Associate Clinical Professor. She is currently Dean of Education for the College of Psychiatrists of Ireland.

**Dr Martin Mahon**

Dr Mahon is the Chief Examiner at the College of Psychiatrists of Ireland and a Consultant Psychiatrist in Rehabilitation psychiatry. He has qualifications in medical education and psychotherapy and has published in suicide reduction and psychosis. He is also a trained Barrister.

### **Dr Lorcan Martin**

President of the College of Psychiatrists of Ireland, Dr Martin is a Consultant in General Adult Psychiatry with Longford/Westmeath Mental Health Services. He trained in Trinity College and with the Eastern Health Board as was. His special area of interest is greater integration of mental health services into the community and he has been instrumental in developing many new initiatives in this regard including a Primary Care Liaison Service, a service for deaf clients, an ongoing public mental health awareness programme and a consultative group so that service users/carers may be involved in service development. He has presented these projects and others at a number of international conferences. Dr Martin has also been involved in training programmes in the area of mental health for a number of statutory and voluntary agencies, and also has a particular interest in the clinical training and examination of Non-Consultant Hospital Doctors working in psychiatry.

### **Dr Eimear McMahon**

*MB BCh, MRCPsych, MCPsychI, MICGP, MSc (Simulation)*

Dr McMahon is the first psychiatrist in Ireland to be awarded an MSc in Healthcare Simulation and Patient Safety, and has published in this area, and developed a handbook of Simulation-Based Education for Psychiatric Emergencies: A Guide She has a Special Interest in Medical Education and in the use of Simulation-Based Education in teaching psychiatry to undergraduates and postgraduate trainees. Dr McMahon is a final year academic HST currently at the Mater/UCD.

### **Professor Gozie Offiah**

*BSc (UCD), MB BCh BAO LRCS&PI (RCSI), MMedSc in Medical Education (QUB), MD (RCSI), PhD in Medical Education (UoD), IMI Graduate Award in Executive Healthcare Leadership*

Prof. Gozie Offiah is the Clinical Lead for the Medical Intern Unit within the National Doctors Training and Planning (NDTP), Health Service Executive. Gozie is an Associate Professor and the Director of Curriculum at RCSI, University of Medicine and Health Sciences, where she is leading the implementation of the transformed undergraduate medical curriculum. Prof. Gozie Offiah is also the Non-executive Director of the Medical Protection Society for Ireland. She has held several leadership roles across several organisations in Ireland and Internationally. In her role in the MIU she led the development of the new curriculum framework for the Internship programme in Ireland .
