# The UCD Psychopharmacology Masterclass Series

## Masterclass 3: Psychosis, bipolar affective disorder and treatment resistant depression

### Speaker:

Dr Anthony James Oxford Health NHS Foundation Trust, Department of Child and Adolescent Psychiatry.

### Bio:

Dr Anthony James has been Consultant Child and Adolescent Psychiatrist at the Highfield Unit in the United Kingdom for 25 years. Dr James qualified at St Bartholomew's Hospital London, undertook postgraduate medical training at St Bartholomew's Hospital and specialist training in child and adolescent psychiatry at the Maudsley and Bethlem Hospitals. He has qualified in child psychotherapy and family therapy. His research work includes ADHD, psychopharmacology, epidemiology, psychosis using MRI, DTI and MEG, the care system, OCD, bipolar disorder, anxiety and depression. He has help set up the DBT service.
